**Photoshop, Lightroom, FCP,
DaVinci Resolve**

Fabrication / Machine Shop

Dark Room / Film Processing

Soldering / Cable Building

ABOUT

Simply put: I love cameras. One of my biggest passions is being able to provide the tools and technical support that allows filmmakers' visions come to life. While some may view a new camera or workflow as a challenge, I find that to be the most exciting aspects about working in an industry of constantly evolving trends. If I haven't worked with it, I can't wait till I do.

Date of Birth: 07.02.1983
Place of Birth: Palos Park, IL (USA)
Marital Status: Single
Nationality: US-American
Current Residence: Berlin, Germany
